

Award of contract for primary care referral social prescribing co-ordination pilot project

UPDATE TO CCG BOARD
For information
27 September 2013

City and Hackney
Clinical Commissioning Group

BOARD MEETING ON 17 SEPTEMBER

The full NHS City and Hackney Clinical Commissioning Group (CCG) Board is asked to receive and note the outcome of the extraordinary CCG Board meeting held on 17 September 2013

Background

- Social prescribing identified as key outcome in CCG Business Plan;
- Social prescribing steering group established and CCG Clinical Lead Dr Patrick Hutt appointed (April 2013);
- CCG Clinical Executive Committee agreed pilot project (June 2013);
- Participating GP Consortia agreed September 2013;
- Voluntary and primary care services involvement, engagement and project development from April-September 2013.

Process

- A combined response procurement process (pre-qualification questionnaire and invitation to tender) was carried out;
- 5 voluntary community services were invited to bid.

Decision

- Family Action were awarded the service.
